Invitation

Respectful maternity care in various settings

It is with pleasure that we invite you to the maternal health thematic meeting, held on the 7th of November 2017 at Lloyd Hotel in Amsterdam.

Share-Net International organizes a thematic meeting with a focus on respectful maternity care in various settings. Inspiring, international key-note speakers will give us insights into the latest global research, the human rights perspectives, the quality frameworks and the midwifery frameworks, enhancing respectful maternity care.

Share-Net country Nodes representatives will attend to highlight the realities around respectful maternity care in Burundi, Jordan and Bangladesh. This meeting provides an opportunity for researchers, policy makers, experts and practitioners to meet, exchange knowledge and map the way forward to ensure women receive respectful maternity care in various settings around the globe.

Please do forward this invitation to relevant colleagues!

RSVP before 25th of October by registering [here](#)

The meeting is free of charge, places are limited!

In collaboration with:
