

Invitation

20 November 2017,
15.00 – 17.00hr
Royal Tropical Institute

Invitation

Road to AIDS 3rd Preparatory meeting

World AIDS Day is coming up (December 1st) and that means that submissions for sessions, workshops, abstracts, etc. for AIDS 2018 are about to open.

Share-Net Netherlands, Aidsfonds, AFEW and the Ministry of Foreign Affairs invite you to a third and final preparatory meeting for AIDS 2018. Plans that have been discussed in the previous meetings now have to be put into action.

The goal of the meeting is to learn from each other, facilitate cooperation and develop concrete plans to submit for the conference. You are therefore welcome to raise theme's on which you would like to cooperate during AIDS 2018. Note that this is *not* a brainstorm meeting so please come prepared!

Preparation

- Focal points of the previous meeting prepare a brief presentation (2 min) on where they are and what they need on their topic
- If you or your organization has a new theme you'd like to collaborate on (either as a lead or 'in the back seat'), prepare a 2 minute pitch of the theme in which you address:
 - What do you want to reach? Who is your target audience?
 - What do you want to get out of it?
 - What do you need from us (present organizations)?

Please sign up [here](#) before the 14th of November.
