

# Culture Initiative

The **Culture Initiative** is aimed at bridging the gap and stimulating cooperation between Western countries and countries in Eastern Europe and Central Asia (EECA) Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine, Uzbekistan.

## **Track 1**

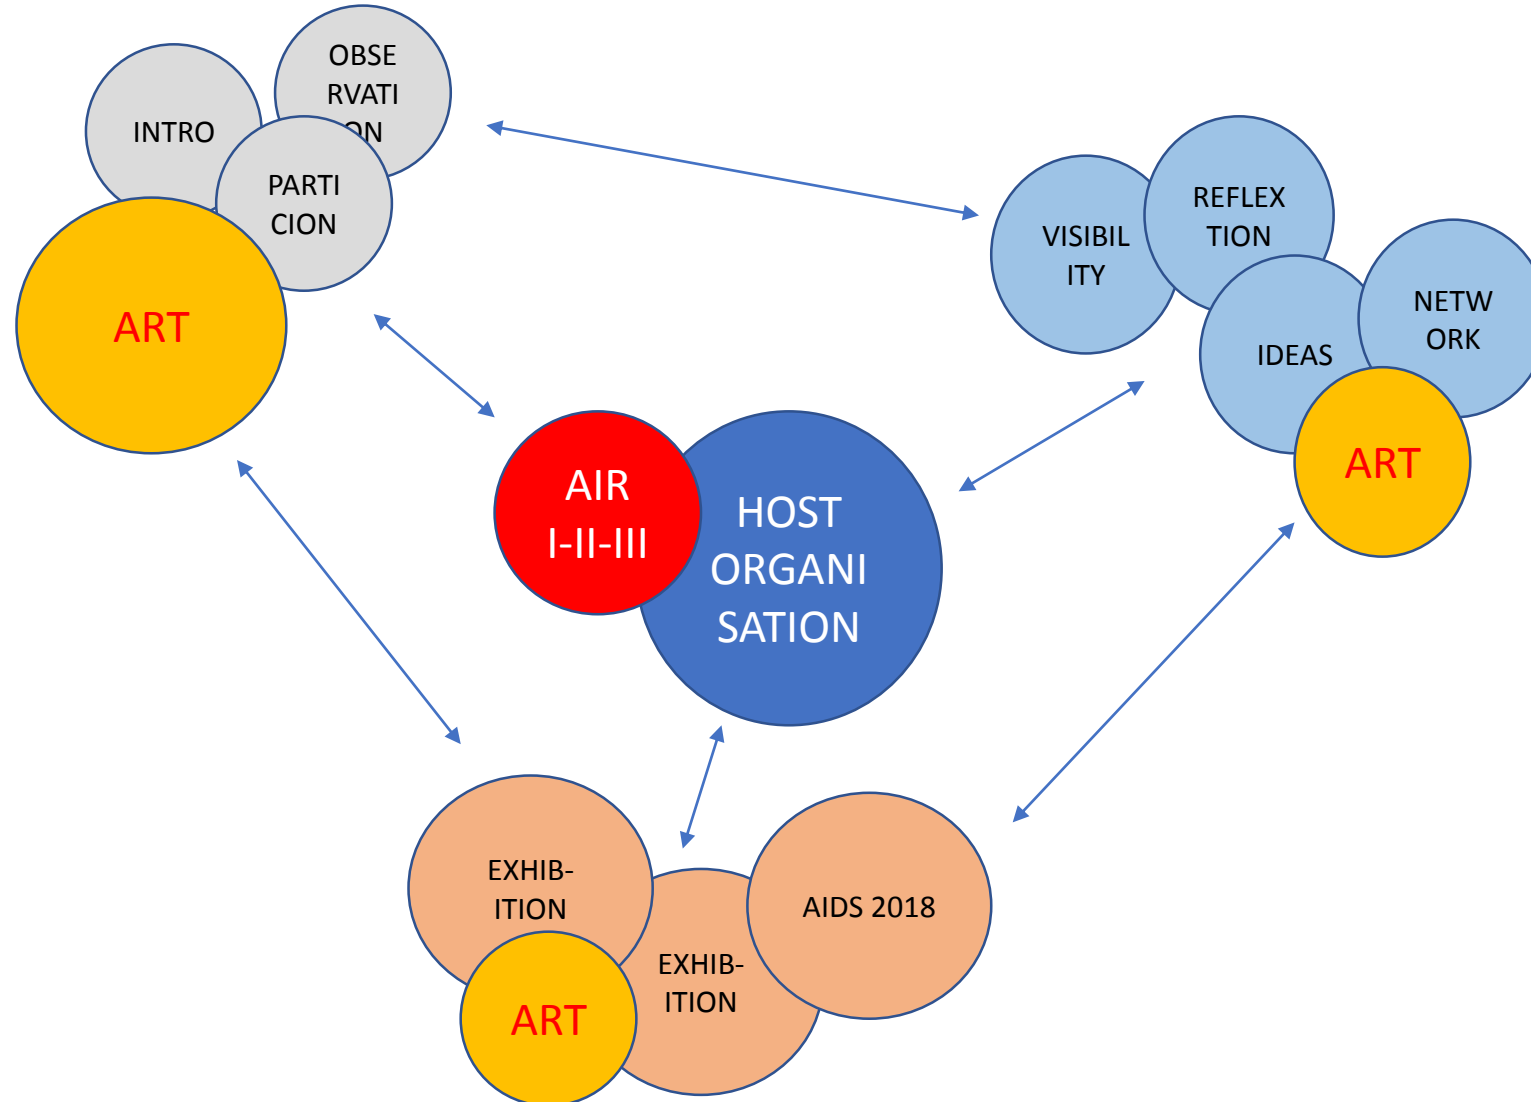

Create awareness about and engage young health and social professionals, NGO staff and activists in the Netherlands (25-30 years) with the EECA region and its issues around HIV, stigma and diversity in the region.

Aim for this group of people is to become interested in the region and its successes and challenges around HIV and build their network with organisations working in the region by attending the climax event in the Global Village.

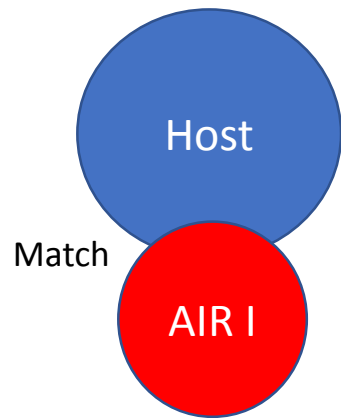

## **Track 2**

Create awareness about and engage delegates at the conference with the EECA region and its successes and challenges in the field of HIV, stigma and diversity.

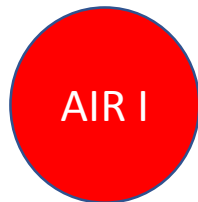

Aim is for these people to become aware of the region and start investing time and effort
