## UN Guidance on Sexuality Education Knowledge Session

“Fostering collaboration to ensure quality of Comprehensive Sexuality Education”

Share-Net International and Dance4Life would like to invite you to the **UN Guidance on Sexuality Education Knowledge Session on the 14<sup>th</sup> of June 2018 from 10.00 to 13.00.**

In January 2018, UNESCO published the updated version of the International Technical Guidance on Sexuality Education. The Guidance was developed to assist education, health and other relevant authorities in the development and implementation of school-based and out-of-school comprehensive sexuality education (CSE) programmes and materials.

Participants will have the opportunity to hear CSE experts explaining the Guidance and their vision on CSE, to experience how various organisations bring the CSE into practice and to discuss how NGOs and governments can work together to implement quality CSE.

***If you would like to attend the meeting, you can register by using this [link](#) before the 12<sup>th</sup> of June. Places are limited, don't miss this chance and register now!***
