Share-Net Youth Week

An inspiring week full of debates, new evidence, workshops, presentations and the opportunity to exchange knowledge and experiences

It is with pleasure that we invite you to take part in the Youth Week organized by Share-Net and its members which takes place from 26th – 30th of September in Humanity House, The Hague and De Balie, Amsterdam.

We envision an inspiring week full of lively debates, interactive workshops, captive presentations and networking opportunities.

We will link comprehensive sexuality education and youth friendly health services to broader discussions on gender, gender based violence and sustainable development.

Together we will share best practices, learn from one another's experience and develop new strategies and collaborations.

You can choose sessions you want to join. A more detailed agenda will follow soon.
