Call for Proposals: Young Investigators NGO stop @KIT

The Young Investigator Network of Share-Net Netherlands has the pleasure to invite PhD students working on SRHR to present their research during the 3rd NGO stop at the Royal Tropical Institute in Amsterdam.

The KIT NGO stop is scheduled for:

Wednesday 7 December from 15.30 – 17.30.

It will be a 2 hours session in which 2-3 PhD students will present their research (7 minutes), followed by a debate with KIT's health advisors about how to link their research to policy and practice.

**Please send in your abstract before 17 November 2016
to Kimberley Meijers via info@share-net.nl**

Please do forward this invite to PhD researchers in your network!
