BREAKING THE SILENCE ON INFERTILITY

THURSDAY 27 JANUARY 2022
13:30–15:00 GMT

LIFE STORIES AND
TOOLS FOR ACTION

Let's break the silence on infertility and share stories and tools for action!

Please join our upcoming event to learn more about the burden and stigma of infertility and subfertility, and hear people's stories of how infertility has impacted their lives. This event will present the outcomes of a collaborative infertility awareness project and the tools for action, supported by Share-Net International, and implemented by the International Planned Parenthood Federation (IPPF), RedOrange and Share-Net members.
